

STEAM LEGO CLUB

Village's Afterschool Enrichment Club

**Science, Technology, Engineering, Arts, & Math
through **PLAY!****

Our club provides STEAM exposure through hands-on, project-based learning – proven methods to ensure higher levels of retention and critical thinking. Students work in teams to develop collaboration and communication skills. Four separate club groups provide age-appropriate themes & challenges:

K: Thursdays 2:25-3:55

1st Grade: Tuesdays 2:20-3:50

2nd-3rd Grade: Tuesdays 2:20-3:50

4th -5th Grade (Introduction to Robotics): Wednesdays 1:40-3:10

Fall Session: September 19 – November 9th

Winter Session: January 9 – March 1

To obtain registration info please email student's name & grade to:

nadosteamteam@gmail.com

Fall Session Registration Opens August 24th

Session fee of \$170 includes 8 weekly meetings.
